

Mountain View Parent Nursery School Personalized Brick Paver for Entrance at our New Location

Mountain View Parent Nursery School and Parent Observation have been an important resource for families in our community for the past 46 years. Both of the programs have paved the way for many children over the years. It is without a doubt that they have been a fundamental building block in the lives of children, families, and staff.

We invite you to join us in making a beautiful entrance at our new location that is a tribute to the children, families, teachers and community members who make our programs such a wonderful place. You may order a brick in the honor of your child, your child's teacher, or your entire experience in our program.

With your contribution, you can commemorate your experience for many years to come. Your custom commemorative bricks, to be placed in the entrance of the school, will serve as a remembrance of your time as part of our community! It will be a permanent icon of your family's contribution.

The bricks are engraved using state of the art laser technology. Their beauty and durability will create a lasting impression. Not only can you leave your child's or family's name, but if you would like to, you may have your child's drawing or signature on our entrance! You will be able to bring your family and friends to see your personalized brick for years to come.
